

Enduring Comfort

Description: Enduring Comfort is . . .

- ◆ A memorial book for everyone – people of all faiths, or no particular faith
- ◆ A non-denominational bereavement book
- ◆ A tribute book that comforts everyone, regardless of their beliefs
- ◆ A one-of-a-kind memorial keepsake book
- ◆ A keepsake book with beautiful 4-color artwork; high-quality cover, binding, and paper.

Features:

- **A TRIBUTE SECTION –**
 - Special **UNION FEATURES!**
 - A section to put photos of union memories and document their work in the union!
 - A family tree
 - Room for journaling – very helpful in finding the sense of belonging we all need when a loss is experienced
 - Places to put photos – making it a lasting tribute
- **GRIEF RECOVERY HELPS –**
 - A simple, easy-to-understand description of the 5 stages of grief we all go through
 - Helps to move your people forward in a hopeful way with every KIND of loss you give the book for – loss of a spouse, mother, father, sibling, child, even a close friend, if needed in the future
 - Special features to help your people cope with the TYPE of loss they may experience – such as a long-term illness, a special disease, loss of a distant relative, a sudden, unexpected loss, etc.
- **SEASONAL MEDITATIONS –**
 - Meditations and affirmations for each season
 - Helping your people find hope through each season of the first year after the loss, and beyond. (Grief recovery experts say the first year is the most difficult to get through, so we walk through each of those seasons when the birthday, anniversary, or other special date first rolls around – helping your people move forward in a hopeful way.)
- **HELPFUL REFERENCES –**
 - Most people feel they don't need help with grief recovery. *Enduring Comfort* gives the help needed, but also helps us recognize if we may need more help. It is an important “bridge,” helping your people recover from a difficult loss and move forward in their life.
 - The book concludes with a listing of helpful organizations nationwide for grief recovery – including websites and phone numbers – as well as a listing of helpful bereavement books.
